About

A goal oriented third-year electrical engineering student seeking for an internship opportunity. A team player who can work well with others and able to handle working under minimal supervision. I am self motivated and genuinely interested to gain more detailed understanding about the industry and am prepared to engage in a continuous learning.

Education History

UiTM PERMATANG PAUH (2019 – PRESENT)

BACHELOR OF ENGINEERING (HONS.) ELECTRICAL
AND ELECTRONICS ENGINEERING

- GPA: 3.60
- CURRENT CGPA: 3.53

NEGERI SEMBILAN MATRICULATION COLLEGE (2018)

SCIENCE STREAM

- CGPA : 3.63

Subject Learnt

1. Basic Communication Engineering
2. Signals and Systems
3. Electrical Engineering Laboratory
4. Basic Power Engineering
5. Power Electronics
6. Electromagnetic Theory
7. Electrical Machines and Drives
8. Communication System Engineering
9. Electrical Power Utilization
10. Control Systems
11. Power System Analysis
12. Power System Operation and Control
